## **Accountant's Compilation Report**

Board of Directors Forming Faithful Families Chicago, IL

We have compiled the accompanying statement of assets and liabilities- income tax basis of Forming Faithful Families as of September 30, 2019, and the related statement of revenue and expenses- income tax basis for the year then ended. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the income tax basis of accounting.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the income tax basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the income tax basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's assets, liabilities, equity, revenue, and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters. We are not independent with respect to Forming Faithful Families as of and for the year ended September 30, 2019, because we performed certain bookkeeping and payroll tax services that impaired our independence.
