The Family Hearth General Store™, the storefront ministry of Forming Faithful Families™, a nonprofit 501(c)3 public charity, is grateful to offer an initiative to support Frankfort families negatively affected by COVID-19.

As part of our ministry, the Kind Deed for a Family in Need™ program will be providing fifty \$50 Jewel cards to Frankfort families in need.

If you are a family in need, or know a family in need, residing exclusively in Frankfort, please email familyhearthfrankfort@gmail.com with the family name, full address, and a short explanation of the need. The information provided will be kept confidential. Applications will be accepted by email only and reviewed on a first come first serve basis. The gift card will be mailed to the address provided.

Any local businesses who wish to donate funds to our nonprofit 501(c)3 public charity earmarked for making more gift cards available to families in need in Frankfort should email familyhearthfrankfort@gmail.com.

This initiative is made possible through an initial donation from Littleton Claims Service, Inc., a company based in Frankfort.
