

To whom it may concern:

Jim and Kathleen Littleton have my heartfelt endorsement as speakers and catechists of our precious faith. Their kind and soft spoken approach to difficult and challenging Catholic topics is a blessing to our church. They rightly see the centrality of marriage issues in our culture wars today, yet seem to witness more with their lives than beating anyone over the head with the Bible or Encyclicals.

Fr Thomas Koys, M.A.,S.T.L.
