To Whom It May Concern:

This is to verify that James and Kathleen Littleton are practicing Catholics in good standing. They have been active parishioners at St. Anthony's since 1988 and Kathleen is serving in her fourth year as Director of Religious Education.

Their books, *Better by the Dozen Plus Two*, *Better by the Dozen Plus Two Part Two* and *Healed Through Cancer* adhere to the teachings of the Church and contain nothing contrary to the faith.

I support them in their ministry of evangelizing the culture by spreading the faith through their books and speaking engagements.

Sincerely in Christ,

Reverend Greg Skowron, Pastor
